BED SET

VISPRING, 2025

The Katherine bed-set* captures the essence of modern Vispring design; elegant and beautifully understated. A study in comfort and craftsmanship, designed for contemporary living.

The Katherine bed-set unites Vispring's enduring craftsmanship with a modern, understated form. It pairs the Katherine mattress with a floating shallow divan and a softly pillowed headboard, creating a design that feels both architectural and inviting. Two elegant metal legs add a refined finishing touch, while natural materials inside provide the breathable comfort Vispring is renowned for.

*Available only as a complete bed-set in selected sizes.

Crafted with quiet confidence.

Each Katherine bed-set is handmade to order in Devon by Vispring's master artisans. Every stitch, every natural fibre, and every detail is chosen to deliver lasting comfort and understated beauty.

The result is a bed that feels effortlessly luxurious, an expression of craftsmanship and unparalleled comfort.
